## CURVY SEWING INTENSIVE: MONTROSE SHIRT

**Sat. / Sun. Nov. 2 & 3** 9:30 a.m. - 4:30 p.m. **\$299**

This exclusive fit-focused class is a start-to-finish production, where instructor Megan Green will guide you and just a few others through the garment fitting and making process of Cashmerette's Montrose Shirt. The Montrose is a classic woven shirt with two views tailored for sizes 12 to 28, in three cup sizes (C/D, E/F, G/H), and with two sleeve sizes (standard and full bicep).

With the class's small size - limited to 8 students and with 2 teachers - you'll get plenty of one-on-one guidance so you can begin to master the art of fitting your shape. Here's what you'll learn:

#### Day One

Start by learning to take proper measurements and select your base pattern sizing. You will also learn how to read a pattern.

Next, you'll learn to make basic alterations of your flat pattern, and cut and sew a muslin to test your fit.

A note about fabric: If you would like to purchase your fabric *before* the class, come into the shop and we'll be glad to help you choose. Then you have time to launder it. If you plan to buy your fashion fabric on Day One, please understand you must wash/dry it before garment cutting on Day Two.

Note: Fee does not include fashion fabric or thread, however fabric, thread and notions purchased at Hip Stitch for use in this class will be discounted 20%.

#### Day Two

We'll help you evaluate the muslin's fit, make further adjustments and transfer those tweaks to your flat pattern. Finally, it's time to cut into that beautiful fashion fabric and sew your personal, custom-fitted Montrose shirt!

Email required; instructor will contact students in advance of class with advice and instruction on pattern size choice and other preliminaries.

Class fee *includes* printed Montrose pattern, Pattern Trace non-woven, muslin, bias tape, lunch and afternoon snacks both days, coffee, tea and water.
