Two Versions
Fingering Weight Yarn
Sport Weight Yarn

Crochet Abbreviations

rem	remain(ing)	rep	repeat
sk	skip	sl st	slip stitch
sp	space	st	stitch
tc	turning chain	yo	yarn over

Notes
- when pattern says "insert hook in 3rd ch of tc", you're counting from the **bottom** of the turning chain
- tc counts as a stitch
- terminology & abbreviations are American

Version One – Fingering Weight

Finished Measurements
7" (17.75 cm) wide, 50" (127 cm) loop

Yarn	Urth Yarns Uneek Sock Kit (100 gr/400 m)
Hook	4.00 mm
Gauge	20 dc = 10 cm (4")
	11 dcDEC and 9 rows = 10 cm (4") in pattern

Notes re Uneek Sock Yarn

- fascinating colour "jags" stem from the way Urth Yarns wound the yarn into two 50 gr cakes – you could use any fingering weight yarn to make the loop scarf, but you would achieve different results!

- start the 1st cake from the **outside** - when it's time to join the 2nd cake, pull yarn from the **inside** - this will produce the "loop back" colour sequence
