PATTERN NOTES

Whether you're strolling through Gumdrop Pass or winding around the Lollipop Woods, these delightful socks will keep your toes cozy and comfortable as can be. Twisted slip stitches in a contrast color sit atop a micro-striped background. These socks really pop and are as much fun to knit as they are to wear.

These socks are knit from the top down. During the leg and foot sections, only one color is used per round. The patterning is created using slipped stitches. Slip all stitches purlwise with yarn held in the back.
