WALL HANGING ASSEMBLY

1. Sew **C** 1" x 5" strips to opposite short ends of (1) **A** 19" x 4-3/4" strip. Trim ends of **C** strips even with **A** strip if necessary. Sew (1) **C** 20" x 6-1/4" strip to the top edge to make (1) **A-C** unit. Make (6).

Make (6)

2. Fold **A-C** unit in half so raw edges match along bottom long edge, creating a green **C** strip above the **A** strip, and press. Tuck (1) 20" x 5" fusible interfacing strip inside and fuse to adhere to make (1) pocket unit. Topstitch along green strip at top. Make (6).

3. Lay the **D** 20" x 40" rectangle flat on work surface. Position the first pocket unit along the bottom edge, with raw edges matching. Baste 1/8" from bottom edge and 1/8" from side edges to hold bottom pocket in place.

4. Measure 6-1/2" up from bottom of **D** rectangle and mark a horizontal line. Position second pocket unit, panel block side down, so raw edges rest on the marked line. Pin in place and stitch using a 1/4" seam allowance. Fold pocket unit up, press, and baste 1/8" from side edges to hold second pocket in place. Note: Red "sashing" between pocket units should measure 1" tall.

5. Measure 6-1/4" up from bottom seam of the second pocket unit and mark a horizontal line. Position third pocket as in step 4, and stitch, press and baste. Repeat for fourth, fifth and sixth pockets. Trim original **D** background rectangle 1/2" above top edge of the sixth pocket unit to complete the wall hanging center.

6. Measure the length of the center and trim (2) **D** 2" x WOF strips to that length. Sew to opposite sides of the wall hanging center. Measure the width of the center, including the borders just added, and trim (2) **D** 2" x WOF strips to that length. Sew to the top and bottom. Note: Adding these borders will secure the basted pocket edges from steps 3-5.

7. Measure the length of the center and trim (2) **B** 2-1/2" x WOF strips to that length. Sew to opposite sides of the wall hanging center. Measure the width of the center, including the borders just added, and trim (2) **B** 2-1/2" x WOF strips to that length. Sew to the top and bottom to complete the wall hanging.

FINISHING: Layer quilt top, batting and backing together to form quilt sandwich. Baste layers together. Quilt in the **D** areas below each pocket row. Stitch a straight line in the green areas between pocket blocks to create individual pockets. Do NOT stitch anywhere else on the pockets. Quilt borders as desired. Bind using **E** 2-1/4" strips.
