

TUMBLING TRIANGLES

By combining two contrasting fabrics you will create triangles tumbling down the quilt. Choose from 6 different sizes. Using the Studio 180 Design V-Block tool, this fun quilt is so quick and easy you will want to make more than one!

Pre-Class Cutting Instructions

WOF = width of fabric, approx. 40"

Note: You may wish to cut long borders lengthwise first. If you do so, you'll need extra strips since the remaining fabric will not be WOF. Multiply the number of WOF strips by 40" to determine the total length of strips needed.
