Baby Burp Cloth

If you want those new baby pictures without a diaper on your shoulder - make lots of cute flannel burp cloths!

Fabric Needed:

- 2 Fat Quarters
1. Pre-wash your fabric to take care of shrinkage.
 2. Fold the Fat Quarter in half the long way, then in half again the other way.
 3. Lay template as directed on to folds, trace shape onto fabric. Pin in place.
 4. Cut on the line.
 5. Repeat with other Fat Quarter.
 6. Place the two pieces, right sides together and stitch around all sides, leaving a few inches open for turning.
 7. Once turned, press edge flat.
 8. Slip stitch the opening closed.
 9. Stitch around the edge to finish. Try a decorative stitch!

Congratulations!
