## Gift Card/Business Card Holder

### You will need:

- 2 different fabric pieces: 5 1/2" x 4 1/2"  
One is lining and one is outside
- 2 pieces of same fabric: 4"x4 1/2" for pockets
- 1 piece of fusible fleece: 5 1/2" x 4 1/2"
- 1 small hair elastic
- 1 button

- Fold over the pocket fabric wrong sides together and press so each pocket is 2" x 4 1/2".
- Baste each pocket to right side of lining fabric using 1/8th seam allowance keeping folds toward center of lining.
- Press fusible fleece to wrong side of outside piece.
- Place outside and inside pieces right sides together and pin but don't sew!
- On one of your 4 1/2" sides insert your elastic band between the lining and outside piece in the center. I placed the loop about halfway in the seam.
- Sew around the holder using a 1/4" seam allowance, leaving a 2" opening.
- Clip corners.
- Turn right side out and press, turning in the opening seam allowance.
- Fold over and press well.
- Sewing around the outside edge in 1/8" seam allowance.
- Fold over the elastic and find button placement. When hand sewing on the button make sure you don't sew through the pocket.
- Enjoy!

1/4" seam with 2" opening for turning.
