MISE EN PLACE is a French phrase which means "put in place", as in set up. It is used in professional kitchens to refer to organizing and arranging tools and ingredients for a food preparation and assembly station.

We here at Quilters Corner have noticed this phrase popping up in several discussions recently. We like this term as it could apply to many of our daily tasks: cooking, cleaning, sewing, quilting, embroidery, gardening, reading, writing, and driving are just a few. Some of us are at the height of our creativity with the most cluttered sewing room imaginable and others of us can't seem to think about creating our next quilt until our creative space is cleaned up from our previous project. Regardless of where you fall on this spectrum, being more organized up front sets you up for a more successful outcome.

After choosing a pattern and gathering just the right fabrics from your stash or a trip to your favorite quilt shop, "mise en place" might mean setting up your sewing space with a new sharp blade in your rotary cutter, gathering the proper rulers & cutting mat, cleaning your sewing machine and installing a new needle, acquiring a comfortable chair and a clear work space, setting up a design wall, maybe even getting some chocolate or wine.

Mise en place for a hand quilting project: Hoop, Thread Heaven, thread, pencil sharpener, marking pencils, thread snips, extra needles, stencil, Clover Needle Dome that holds ten threaded needles. A pouch holds all the smaller things.

Taking a class? Preparation at home will be easier if you keep basic sewing supplies handy in their own travel bag. It's easy then to simply add the fabric and requirements for the specific project. This routine sets you up for a successful and enjoyable learning environment.

All of this talk about mise en place might make you wonder "when will I have time to prepare, gather, clean and get ready to create?" That's the beauty of mise en place: spending a little time getting your tools and space ready to create will cut down on the amount of time you spend searching for that thread, ruler, pattern or scissors. At Quilters Corner, we search and shop our vendors for all the ingredients that will make your sewing successful. Our helpful staff can

be a great resource when deciding which needles, thread, rulers will be best for your project. Our samples and kits can inspire you to create just the right quilt. Let us help you put it all in place!

Charity Sewing at Quilters Corner

Thanks for all you've done!

We know how generous we quilters and sewists can be when we join together to accomplish a goal. As part of our year long celebration of 20 years in business, we are providing

many opportunities to sew for those in need. On Tuesday mornings from 10 - noon our classroom is available for sewing on charity projects. Sewing machines, irons and cutting mats are all available for use. Of course, you may prefer to sew at home or at another time with another group and simply drop off the finished project at Quilters Corner. You are welcome to continue to bring in projects from previous months as well. We will be sure they are distributed to those in need.

Many wonderful folks have donated time, energy, fabric and sewing expertise to make these projects a success. Here's what has been sewn and donated so far this year as a result of our community's wonderful efforts:

- 180 pillowcases
- 68 tote bags
- 20 hats and headscarves
- 233 preemie quilts
- 200 placemat and napkin sets
- 61 adult clothing protectors (bibs)

Lap/Baby Quilts are being collected now for nursing homes and babies born at risk.

NEW BLOCK OF THE MONTH ITHACA SPLENDOR

Celebrate the beauty of fall with **Ithaca Splendor**, our newest Block-of-the-Month program designed by Brynne Sigg. We've gathered together over 160 different fabrics for this classic tree block quilt. **Ithaca Splendor** is 94" x 94" and will fit a queen size bed. It's accessible to the confident beginner and beyond; Star Singles half-square triangle papers make it easy to piece. This is a ten month program starting in October. You will receive all the fabric to make the quilt top and binding. The pattern is sold separately for \$9. Kits are \$26 per month for the ten months. Sign up today for this exclusive program, quantities are limited.

The Thread Director

is a clever device that eliminates the frustration of breaking threads while machine sewing. It changes the thread path allowing the thread to unwind flat off the spool. This stops twisting and relieves tension so the thread does not break. You will love it for free motion and for sewing with delicate threads.

Burning Bright, designed by our own Brynne Sigg, is a symphony of colorful stars. Our gorgeous batik kit makes a 90" x 90" quilt. With this many colors it could be a great stash buster as well! The pattern includes six sizes, from crib to king.

We discovered Sue Pritt at Spring Quilt Market. Her quilted landscapes with birds and nature themes are so reminiscent of our beautiful Finger Lakes region and nearby Adirondacks. It turns out that Sue is from the Albany area! It's nice to support a regional artist. Both **For the Birds** and **My Up North Window** use simple piecing and easy fusible machine appliqué techniques. Patterns and kits are available.

Get ready for the holidays with our **Tree Farm** quilt. Featuring the **Let it Glow** fabric line from Moda, in beautiful reds, greens and blacks with sparkly gold highlights, this lap sized quilt will be a lovely addition to your home or perfect as a gift.

Construction of this 56" x 64" quilt is fast using precut 2 1/2" strips (Jelly Rolls) and one extra yard of fabric for the borders. Jelly rolls, fabric and pattern are available in the shop now.

Funky Friends Factory is the creation of Australian soft toy designer, Pauline McArthur. She has over 75 different animal patterns (and monsters too!) from an aardvark to a wombat! We couldn't resist picking up a few of our favorites - elephant, puppy, hippo, eagle and more. In terms of construction and sewing, they range in difficulty from easy to more challenging. Pauline has toy making videos, tips and tutorials on her website, funkyfriendsfactory.com, as well as great photos and instructions in the patterns. Our adorable shop samples are made primarily with Minkee; flannel and regular cotton work well too. Come in and give them a hug!

Flirty, fun and full of pockets to stay organized, the **Lily Pocket Purse** is a handy and stylish bag. Wear it from your shoulder or cross-body to rest comfortably and securely at your hip. Look for a class with our bag expert, Kaye.

The colors in **Go Big** are so rich and gorgeous and the flannel so super soft, you'll think you are cuddling up in a velvet cocoon. This quilt is made with one Moda Primitive Muslin flannel Layer Cake (42, 10" squares) and extra fabric for the background and binding. It is sewn using a simple half square triangle piecing technique. The finished size is 64" x 64". Kits are available that include the extra background and binding fabric, the pattern, and a color photo of the shop sample.

Summer Song is a quick and easy pattern that works perfectly to feature large scale prints. We made our sample from a beautiful line of fabrics from **Fronde**. A kit is available to make a 46" x 58" lap size quilt.

Christmas is coming!

Meet The Teacher:

Sheila Meehan started quilting about 40 years ago, piecing with templates and quilting by hand. In 1995 she started working at "Quilt In A Day" in San Diego with Eleanor Burns. She loved rotary cutting and machine piecing! Sheila has been teaching since then. For the past 20 years she has been working in quilt shops and teaching in San Diego, Sacramento and now Ithaca - and loving it! Her favorite quilts are old traditional patterns and her favorite place to be is in her sewing room.

Membership is free, but please call June to register at 607-257-0939. Meets the third Monday of every month at Quilters Corner from 1-3 PM.

Sew Many Quilts!

♥☀ Full Bloom

Kristin Thompson

Full Bloom is our fabulous Block of the Month and this class will help get you organized. We will review the instructions, prepare the first flower for sewing, and practice two different raw edge applique techniques called "edge coloring".

Pattern and machine required.

Sat. Sept. 12, 9 AM-12 PM

♥☀ Pineapple Quilt

Sheila Meehan

In this class you will learn an easy, fun technique to make a beautiful scrappy quilt. There is no special ruler...just a 12 1/2 inch square up ruler.

When your block is completed, you square it up!

This is a great class for that beautiful tower of fat quarters that you have been afraid to cut into!

Pattern and machine required.

Mini of the Month

Rhonda Poyer

Want to try out a new technique, but don't want to make a large quilt? Then make a mini! These small quilts are the right size for doll quilts, place mats, table toppers, wall hangings or pillows.

Make them from your favorite charm squares or scraps. All are beginner friendly. Stitch up a different mini quilt each month!

♥☀ Mini Tiny Dancer

Use the Mini Hex N More ruler, charm squares and make six bladed pinwheels. Pattern, ruler, machine and rotary cutting experience required.
