NIGHT WATCHMAN BLOCK OF THE MONTH

STARTS IN SEPTEMBER

Our new block-of-the-month features some of our favorite woodland animals – a fox, an owl, fireflies, birds, a bear and more. All the fabric is batik with a modern flavor and glowing with the beautiful colors of nature. The animals are fused appliqué blocks and are interspersed with pieced blocks to create a lovely 50" x 66" finished quilt. The program starts in September and runs for 12 months. The monthly fee is \$18.99, all the fabric for the quilt top plus binding as well as patterns are included. You will receive full color step-by-step instructions, detailed graphics, reversed appliqué pages, plus seven inserts for positioning the appliqué. The pattern is available separately for \$42.

Through November 30,
pay for all 12 months
up front and get a 10%
discount!

Spectacular Savanna is another wonderful animal pattern by Elizabeth Hartman, the creator of Fancy Forest. It features African animals – an elephant, zebra, giraffe, lion, rhino, gazelle, hippo and wildebeest. The 64" x 84" quilt uses traditional piecing – no paper piecing or appliqué. The pattern also includes instructions

for making a variety of quilts and quilted pillow covers using individual animal and leaf blocks. We have a kit available for the quilt top.

Fat Quarter Fiesta

has a new look! We have made two previous samples from this versatile fat quarter friendly pattern designed by our own Brynne Sigg of Royal Quilt Designs. Our new sample features pretty little florals. It is a snap to make and all you need is a collection of your favorite fat quarters and a sashing fabric.

If you would like to replicate our sample we have a fabric pack made up, or choose your own fabrics and create a lap, twin or full/queen size quilt.

We love our beautiful shop sample of the **Natasha Tote** made with cork! The pattern is written for a backed material such as Cork, Vinyl or Leather. It has a magnetic snap closure, two large outside pockets with easy access and a handy zippered inside pocket for all your valuables. It's a nice practical size for everyday use.

Quick Corky Wallet

Check out our selection of other patterns featuring cork including The **Cork Crossbody** and the **Quick Corky Wallet**.

Cork Crossbody

The **Creatively Yours Zipper Pouch** is fun to make and is a great gift for family, friends, teachers and coworkers as well! Use a mini charm pack (2-½" squares) to make one bag, or make four bags with a charm pack (5" squares). It is 10" wide x 6" tall x 3" deep. Jackie is teaching a class on this.

The petite **Crescent Tote** from Noodlehead is perfect for stashing a knitting or hand sewing project and a few essentials. The zippered front pocket holds little items you want to keep secure and adds a fun detail, and there is an additional zippered pocket inside. The flat bottom makes it easy to set on a table.

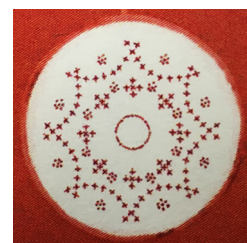

The **Trifecta Zip Bag** from Emmaline Bags includes instructions for six different sized bags that use internal wire frames. The frame provides structure to keep the bag in shape and help it stay open until you want it closed. Create gorgeous toiletry, makeup or pencil bags with the smaller sizes. The larger size could be a handbag. There are lots of options such as accented top and bottom pieces and straps. The frames are sold separately – the large Style A, or the small Style B which comes two to a pack so you can make two bags!

Store and carry all your project pieces and supplies in the handy zippered **Piecekeeper Project Bag** with attached handle. The quilted back makes a sturdy base and the mesh front affords great visibility plus a bit of added stretchiness.

The finished size is 11"H x 16"W.

Enjoy hand embroidery with vintage redwork patterns from Redwork Plus. Each pattern includes the preprinted cotton and directions - you provide the floss and needles. Designs include charming **Farmyard Animals**, **Feathered Friends**, **Christmas Ornaments** and delicate florals in **Redwork Revisited**.

Leafy Treetops is a great gift for that new addition to the family or as a sweet shower gift. Choose your method of appliqué – Fast and easy fusible or classic hand appliqué (the shapes are super simple). Sew four seams to attach the borders, add a few details

with hand embroidery or pigma pen and the top is finished! The quilt measures 40" x 50". Kits are available in two color ways.

Birches is a lovely winter wall quilt that measures 13" x 15". A bright red cardinal nestles into a crook of a stately birch tree in a forest grove. The kit includes the wool felt for appliqué, and 100% cotton fabrics for background, borders, back and binding. Also included are batting, embroidery floss, buttons, precise patterns and complete illustrated instructions.

Here we go again! Every time we say, "This is the last Quick Curve Ruler sample we are going to make," those crafty women from Sew Kind of Wonderful come up with another irresistible pattern! **Posh Santa** is made with the Mini Quick Curve Ruler. It is 28" x 38". We have kits available.

Who could resist these adorable mitten ornaments? The **Charcoal Mittens** kit includes the wool felt to make six adorable mitten ornaments, complete patterns and illustrated instructions, embroidery floss for embellishment and gold string for hanging your finished mitten. The **Redwork Mittens** kit includes the wool felt to make six ornaments, instructions and iron-on transfer embroidery patterns, floss and gold string for hanging. Each kit is only \$18.99!

Add these quick to make **Holiday Baubles** to your holiday decor. The pattern includes directions for three sizes. These are a great way to utilize scraps!

Triple Dresden Tree Skirt is a quilt-as-you-go holiday project that quickly comes together using the Creative Grids 15° Triangle Ruler. The skirt is reversible as well! Kits are available, and Krisin is teaching a class.

Winter Manor includes 20 brand new designs by Doug Leko from Antler Quilt Designs. The book has seven pieced quilts, one pieced table topper, and twelve pieced table runners – all for just \$21! We chose two table runners to create kits for. Snow Angel, 21" x 53", is a lovely star pattern in reds, golds and greens with a cream background. Jingle Bells, 19" x 56", has red and green stars on a cream background. We also carry a collection of Doug's Winter Manor fabric line from Moda that is featured in the projects.

Snow Angel

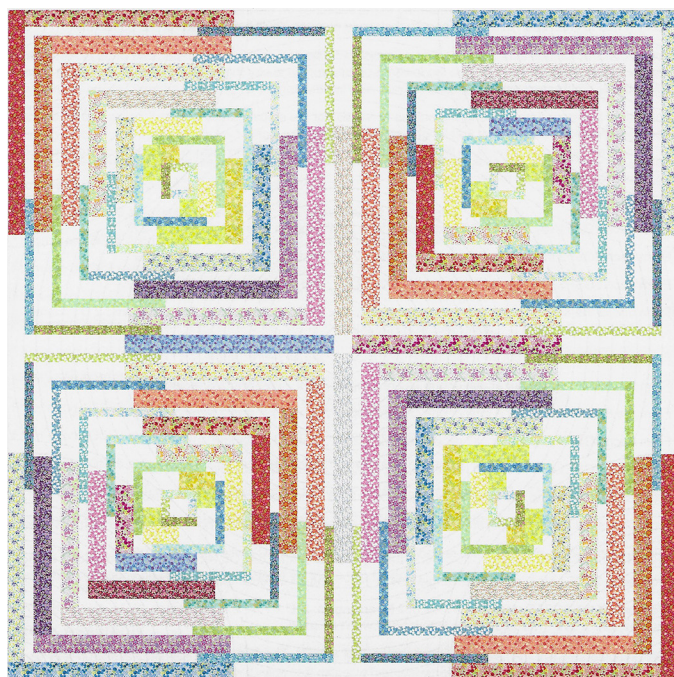

Jingle Bells

Warm up your home this holiday season and spread the cheer with the darling **Scandi Christmas Tree Skirt** that might be the easiest tree skirt you will ever make! It measures approximately 47" in diameter. The pattern has detailed, clear color photo instructions. A variety of kits are available, or let us help you choose fabrics to create the look you want. Cyndi will be teaching a class on this.

Antelope Canyon is a dramatic quilt designed by Laurie Shifrin. The grace and mystery of Arizona's gorgeous slot canyons inspired this 74-½" x 74-½" quilt. Choose precut strips or cut yardage with a contrasting background for unique log cabin style blocks perfect for any quilter with a little experience. Rotate the blocks to create another stunning layout. There are more inspiring ideas, photos and directions for alternate colorways included. Our sample uses two Garden Delights II strip rolls available in the shop now (supplies are limited), and a white background fabric and looks like a beautiful garden maze.

NEW THREAD

Wonderfil Efina is a 60wt 2 ply 100% Egyptian Cotton, made exclusively from 100% Giza 88 - the highest caliber extra long staple Egyptian Cotton. Fibers spun with Giza 88 are prized for their extreme softness, strength, and unparalleled luster. Uniformity in diameter makes Efina™ the perfect choice for hand appliqué. It's available in 60 original Sue Spargo colors on handy 164 yard spools.

Butterfly Brunch

Our 2019 Row-by-Row quilt is in the shop now and will be available for mail order starting November 1. We have patterns and kits.

The 2018 Row-by-Row, **Music in the Air**, is available now. We have patterns and kits.

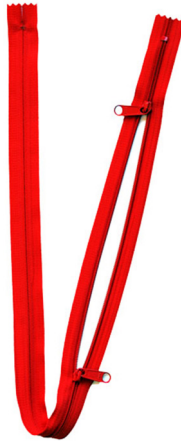

MORE ZIPPERS!

We now have 24 colors of 30" double-slide zippers from ByAnnie.

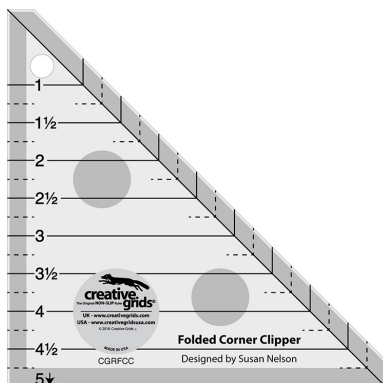

These hard-to-find #4.5 nylon-coil handbag zippers are perfect for all your bags, totes, and carriers. And, with so many colors in stock, you can pick just the right color for your project!

Here's why we like them:

- Dress and skirt zippers are too small for most bags. The #4.5 size is just the right size for purses, bags, and totes.
- The wide zipper tape makes insertion easy.
- Unlike zippers with chunky, molded polyester teeth, these handbag zippers are soft and flexible, making them easy to sew through. (No more broken needles!)
- The nylon coil is strong and durable zip after zip.
- The extra-long pull makes your bag or purse easy to open.
- It's very easy to insert a fabric zipper pull in the large opening of the one-piece zipper pull.

The **Folded Corner Clipper** is a useful and versatile ruler. It enables you to cut half-square triangles from strips that are the finished size plus 1/2" accurately and without marking. Blocks that use the Folded Corner Method (or sew and flip) such as Flying Geese, Snowball, and Square in a Square can be done accurately and with no marking. The new Creative Grids version of this ruler has their exclusive no slip feature that makes it easy to cut accurately.
