Spring has Sprung!

Look what popped up at Quilters Corner - two gorgeous floral quilts!

Flowering Wreath features a vibrant garland of appliquéd flowers. The pattern includes instructions for fusible, raw edge and needle turn appliqué. This quilt is a wonderful opportunity to use the beautiful decorative stitches on your machine. Look for a class from Kristin to explore these methods and learn a few tricks she used when creating the sample. Use your own fabrics or pick up a kit. The kit contains all the fabrics you need for the flowers, leaves and buds and has plenty of fabric to make the size quilt you choose – lap, full, or queen – plus enough to add more flowers if you like. The background fabric will be your choice and the amount you need will depend on the size quilt you are making. Acrylic templates of all the appliqué shapes are available, or you can create your own from the shapes included in the pattern.

Flourish is another beauty from Nancy Rink, the designer of many quilts including *Getting to Know Hue* and *Amish With a Twist IV*. It's irresistible, with an elegant feathered star center, simple appliqué, and a sublime color palette. There are two size options, 58" square and 88" square. We have made our sample 58" square and have kits for both sizes because we know many of you will want to make the larger size.

NEW FROM BABY LOCK

**LESS THAN YOU THINK
CALL FOR THE PRICE**

Featuring Baby Lock's patented Jet-Air Threading – with just the touch of a lever, thread is sent through the tubular loopers. There's no exposed thread, no thread guides and you can thread in any order! Tubular loopers and Jet-Air Threading eliminate threading struggles and make serging a breeze.

CONTINUING BLOCK OF THE MONTH AMISH WITH A TWIST IV

Nancy Rink has truly outdone herself with this Amish-inspired block of the month design! It merges elements of a traditional Amish Trip Around the World with a unique center star and a variety of colorful blocks, all set against a black background. Nancy's careful color placement gives each block a beautiful floating, dimensional twist. The twelve month program began in January. The cost is \$14.99 monthly for the kits and \$30 for the pattern booklet which includes three additional quilt patterns. We also have complete kits available. The finished quilt size is 88" x 98".

With the **Tree Topper & Ornament Pattern**, you can make two-sided dimensional stars for all seasons. Make tree toppers & ornaments for friends & family, but don't limit yourself to just Christmas.

These fun stars in three sizes would be great in a child's room or as seasonal accents in your home. Want some help getting started? Look for a class from Kristin.

The **Pin Place/Scissor Spot** magnet holds your scissors securely with the handles ready to grab. Press the suction cup onto the side of your machine or locate it just above your sewing machine presser foot and instantly deposit pulled-out pins as you keep sewing. This powerful little holder is strong enough to hold thread, scissors, or even full size cutting shears. What a convenient way to stay orderly as you sew! This has long been one of Kristin's favorites.

The **String Thing** is a metal tin with a magnetized lid. It's just the thing for keeping your hand sewing thread, needle, and scissors tidy and contained. We have two sizes, one that is perfect for a ball of pearl cotton and a larger one that could hold several balls of pearl cotton or large spools of Aurifil. Thanks for showing us this, Edith!

Milestone Memories can be used to capture the precious milestones of that new bundle of joy. Use the quilt as a photo backdrop to record those ever-changing growth and development stages with flair. After 12 months the quilt

becomes a precious memento to be enjoyed for many years to come. The teddy bear head and arrow move to the appropriate sections of the quilt for baby's age. Kit available.

8 is just enough is a nice little pattern that has lots of options. It includes four sizes from a crib quilt that takes 8 fat quarters to an XL twin that takes 16 half yards. Choose from your stash or let us help you find the perfect combination. We have a selection of fat quarter packs available.

SUMMER BLOCK OF THE WEEK

Under the Mistletoe is this summer's weekly program. This 70" x 94" quilt featuring lovely reds, greens and golds will give you a jump start on your projects for the holiday season. Starting Monday, June 24, you will receive four or five 2-½" strips every week for 10 weeks. We will give you the free pattern the first week. The 42 strips, along with a background and center fabric you provide, will make this wonderful quilt. Helpful but not required is the **Spider Web Ruler**.

How does it work? Each week just visit the shop to pick up your strips. We'll release a new set each Monday for 10 weeks starting June 24. Each weekly pack of strips will be \$4. However, if you* pick up your strips in the shop the week they are released, you will get a \$2 discount for that week. Hooray! Call or stop in today to sign up. Supplies are limited.

*You personally – sending a friend or family member in to pick up your squares doesn't count. You may sign up for more than one set of strips, but the discount will not apply to the additional sets.

Dapper Dachs, Playful Kitten, Beach Belle, and Kitschy Friend are our newest sewing kits from **Tilda**, the craft brand founded by Norwegian designer Tone Finnanger. Each kit contains the sweet cotton prints that are Tone's trademark, as well as embroidery floss and complete instructions.

Come see our current selection of Tone's books packed with pretty projects, accessories and unique gift ideas. **Tilda's Summer Ideas** is bursting with colorful summer projects. **Tilda's Seasonal Ideas Collection** contains 30 projects including angel dolls, bags and purses, toys, garlands, cushions, table decorations and DIY gifts. **Tilda's Studio** has over 50 fresh

projects for you and your home. Plus, we have gorgeous floral ribbon in two widths, and quite a few bolts of lovely Tilda fabric!

ROW BY ROW Summer-long Shop Hop

This is the easiest shop hop ever: no need to sign up or buy a passport, just start hopping! Visit any participating shop between June 21 and September 3 and collect a free pattern for part of

a Row by Row Taste the Experience quilt. This summer there are participating shops in all 50 states and in Canada, so plan your summer travels accordingly!

A prize of 25 fat quarters will be awarded by each participating shop to the first person to bring a completed quilt using at least eight different rows into their store on or before October 31. Each shop will offer a BONUS PRIZE if that winning quilt includes that shop's row in its design. If you are the first person to bring a finished quilt into Quilters Corner and you've included our row in your quilt, you will not only receive the 25 fat quarters, but a \$25 gift certificate to Quilters Corner as well!

We'll Be Closed

- Memorial Day, May 27
- Independence Day, July 4
