QUILTERS CORNER CIRCLE SCARF

Supplies needed:

Two 18" x 72" pieces of fabric. We used Voile for its excellent drape.

Threads to match the fabric.

Directions:

- With right sides together sew a 1/2" seam down both 72" sides starting and ending 1/2" from the edge.
- Press the seams flat to set the stitches
- Turn the tube to have the right sides out and carefully press the seams.
- Match the short raw edges at the seam, right sides together, from each end.
- Pin and sew from seam to seam on one side only!
(The next step is a little awkward)
- Beginning at the other end seam, stitch, leaving 4" unstitched in the middle on the second side end seam. You will need to stitch this opening closed by hand, using a blind stitch. Be careful not to catch your stitches to the opposite side, leaving the scarf as a complete tube.
- Wear doubled around your neck, doing a figure eight twist.
Enjoy!
