### Fabric Requirements:

Charm Pack of 40 squares

Background fabric & binding - 1 2/3 yd

### Cutting:

- From the **Charm Pack**, cut each 5" square in half to make forty 2 1/2" x 5" rectangles. You may have 42 squares in your Charm Pack so you could have extra.

For the borders cut five strips 5 1/2" WOF.  
For the binding cut five strips 2 1/4" WOF.

### Piecing:

- Take one of the 2 1/2" x 5" charm rectangles and one of the 2 1/2" x 2 3/4" background rectangles and place them right sides together matching the 2 1/2" sides. Sew 1/4" seam.
- Repeat with the rest of the charm rectangles and background squares.
- Press towards the charm fabric.
- Using your design wall or the floor, lay out the units with each row's charm fabric going in the opposite direction. Place the colors however you prefer.
- Sew the rows units together into rows. Press toward the charm fabric.
- Sew the rows together. Press in one direction.
