Stand out in the crowd with our Evil Villain Clutch design. It is quick and easy to make requiring only three hoopings. The design comes in three sizes - the 5x7, 6x10 and 7x12 hoops. In class we will be making the 5 x 7". The bag is completely lined and finished beautifully in the hoop. You can either get the kit or make it your own with your own fabric choice.

The Design is by Sweetpea Embroidery and is a digital download. The design fee is \$12.00. Kits are \$5.00.
