The idea for a monthly Serger Club is officially on the table at E-Z Knit Fabrics, but we need your input to make it perfect. We want to start a monthly club at E-Z Knit Fabrics to learn and grow together. But first, we need to know: Morning or Evening? What time works best for your schedule? Structured or Laid Back? Do you want a planned project or an open lab? What's your hurdle? What's the one thing you want to master first? (Rolled hems? Tension? Threading?)
