

# Workshop/Class Etiquette:

Turn Off your cell phone prior to the beginning of class.

Be early so we can get set up and not hold up the class start time.

Bring all required supplies from the supply list that is outlined online

Due to allergies, please do not wear perfume or fragrances, and smokers must be careful to not bring in any cigarette smoke odors.

Due to copyright laws, if a book, pattern, or embroidery design is required for a class, each student **must** purchase his/her own copy. **No exceptions, no sharing!**

Register early. Pre-Payment is a **must**. You are not considered registered until the class fee is paid!

Only those registered should attend class. As a courtesy to all, please no children, babies, or visitors in class

All cancellations must be 3 days prior to class. No refunds after that day and no refunds for no shows.

We reserve the right to cancel classes if necessary and you will be refunded the full fee.

**We require a minimum of three participants to be registered or the class will be cancelled.**
