**Cheryl Taylor, Instructor**

Be honest...how many UnFinished Objects (projects you started but put away before you finished them) do you have in your closet? Now you have the opportunity to finish them in an encouraging environment with friends of like minds and with help from knowledgeable staff of Monica's. Bring your projects to finish. Remember: finished is better than perfect! Join us any third Thursday of the month.

### **Supply List:**

Your unfinished projects and all the materials, tools, etc. you need to finish it.

The shop provides irons and ironing boards. Bring everything else you need...or purchase it in the store (you'll get 10% off!)
