A few words from Monica—

What can I say...my life is good. I am blessed with the people that surround me. My family is also good. My Patric is perfect and yes, we are hitting the four year mark. I originally said we were getting married in five years... well, that means next year must be that five year mark...so I guess I'm getting married next year...lol.

My staff is amazing. What can I say? I am planning to take more time off to be with my family...let's see if I can make that happen. I know my staff will make things work no matter what I do, but I love being in the shop, too!

Summer in our desert can be long and lonely. As the Season ends I always think, "If I can just make it through the summer..." And again this year, thank goodness, we did it. Soon I'll have another year under my belt. After the Desert Quilting Retreats end, our show season starts, then it's the holidays and we are off and running again. So begins another wonderful year at Monica's.

During Thanksgiving weekend we will once again have a sample sale. We reluctantly retire samples every year: quilts, bags, placemats, toys—you never know what we will have for you. It's a great time to buy gifts for all your loved ones.

The Southern California Bead Shop Hop and the Reindeer Dash are just around the corner—visit our website for directions to shops and more information, or pick up brochures at the shop.

As always, we have a full line-up of classes for you. We have new classes and returning favorites with teachers who are all eager to share what they love to do so that you can become better at what you love to do. All of our classes are on our website—you can view larger images of projects, download supply lists for the quilt side classes (stop by or call us for beading supply lists) and register on line. Oh—and, please don't register on line a day or two before class—we aren't always able to update the site to agree with last minute changes at the shop. Just give us a call to see if there is room for you.

Hope to see you soon!

—Monica
