June 2017 Newsletter

It's been an exciting month with lots of new fabrics arriving. This has prompted the decision for a small renovation to open through to another room. The race is on to have it ready in time for the Friendship Frolic. My apologies, last month I provided the wrong dates for the Frolic, please note the correct dates, Wednesday 21 June - Sunday 25 June. I am busy cutting, folding and bundling fabric for the Frolic, it really is a great week to visit the shop and grab a bargain or two, as well as enjoy the friendship of your stitching friends.

Our planned weekend in May with Di Ford-Hall was postponed, Di is now returning on July 1st & 2nd, vacancies still exist if you are interested in attending. Just before I go, remember bookings for the July Sojourn open June 15. Numbers are capped, so please book early to avoid disappointment. Happy Stitching! Lenora.

A weekend with Di Ford-Hall

Di will join us for the weekend of July 1st & 2nd, recently back from the launch of her book in France. Di will talk us through her latest quilts and share an insight into writing the book. You will then be able to continue working on one of Di's quilts that you are presently undertaking, or start a new project from her book. Di brings a wealth of patchwork knowledge and her expertise is world acclaimed. The cost of the 2 day workshop is \$180.00.

Reproduction Fabric Club

Commencing in June and mailing every second month (August, October, December....) you will receive a mail out of twelve fat 1/8ths of the newest reproduction fabrics that have arrived into the shop. As a club member you will then be entitled to receive a 10% discount on any meterage that is ordered from the fabric in your mail out. Memberships can be cancelled at any time, but please provide at least 2 weeks notice. Please note, mail outs may not be identical. Sign up with an on-line order or by phoning during shop hours.
