

## **Braid Scrappy Supply List for Class**

- To help our busy students, the store is open until 5:00pm to purchase supplies.
- Please be prepared for class by purchasing the supplies you need before the class starts. We start on time to provide the best instruction possible.
- These supplies are available at the store at the best price we can offer. We also help you pick the best value products for your class. We have all these supplies at our store.
- This is a great class to learn braid techniques. In the future you will be able to make many projects with various sizes of braids.
  - sewing machine with cord/pedal and manual
  - ¼" machine foot
  - Rotary cutter and mat
  - Seam ripper
  - Wonder clips
  - Pins
  - Thread snips
  - Wood or plastic press stick or seam roller
  - Braid Template ruler
  - Table scraps pattern

IN CLASS we are going to make some braids for the runner and placemats. You will have to finish the sashing/sides later.

### **Material list:**

- Runner needs about ten 2 ½" Width of fabric strips - great way to use a jelly roll AND 50 cm of sashing, and 35 cm of binding (or more jelly roll strips)
- Placemats (to make 2) - eight 1 ½" Width of fabric strips - use a honey bun, scraps or cut down some jelly roll strips AND two matching fabrics 25 cm each, and 35 cm of binding or some more jelly roll strips.
- We want these to be coordinated so if you are in doubt ask for design advice.
- Wind two bobbins with neutral 100% cotton thread
