We are making large and small star blocks that never "lose" their points and we do not have to cut out any triangles to make them. Quilt is 59 ½" x 74 ½" or you can make it smaller with no borders.

You can make this in many different ways:

Star points from Jelly roll 2 ½" strips, make them scrappy – or from yardage of one or two colours.

Star centers from 5" charm squares or make them all the same

Background from yardage

#### **FABRICS:**

Star points: (20) 2 ½" jelly roll strips OR 1.1 meter of one fabric OR .55 of two fabrics (Red and cream shown)

Star Centers: 25cm of one fabric, or (14) 5" charm squares, as shown or (4) 10" layer cake squares

Background: 2m of one fabric

Inner border: .45

Outer border: 1.4m

Binding: .6

Backing: 3.2m

Batting: 1.6m

- Cotton thread to blend with background fabric

#### **Homework:**

- wind up two bobbins
- Cut **Background** across the width of fabric (Selvedge to selvedge)
  - Two 12 ½" strips
  - Two 3 ½" strips
  - Nine 4 ½" strips
  - Two 1 ½" strips
- Cut **Star point** yardage across the width of fabric (Selvedge to selvedge) into a total of (12) 2 ½" strips (if using two colours do six of each colour) and bring the rest to class. If you have jelly roll strips, bring them to class.
