

Wonky Log Cabin Class: Supply List

We try to provide the best prices and service that we can. Our store is open until 5pm Monday - Saturday. Please come prepared to class. If you need supplies, please allow enough time before class to get them, we must start classes on time to accomplish all that we have to teach.

MASKS: We are working closely with each other. Masks are appreciated. Please read our class policy before class.

Thank You.

*No perfumes, onions, or garlic in class please, we have some students and staff with severe allergies. All drinks in closed containers to prevent spills.

Please check the following

- ❖ To accomplish all that we want to learn, please bring the best fabrics to use for the projects.
- ❖ Best Press spray is your friend, as these blocks are cut with odd shapes. Best Press your fabrics and have them ready and we will accomplish a lot in class.

This is a 9-2pm workshop - bring a snack and a closed mug - we will make tea/coffee.

Please bring indoor shoes or slippers
