

Quiltessential Co. Block of the Month Club 2017

Thursday JAN 5 OR Friday JAN 6 TIME:.....

MILESTONES:.....

- Join the QE Block of the Month Club and come to the first information and demo session, where there will be hints/tips/info on how to construct the blocks. You will also receive the first block fabrics and pattern (there is a \$10 fee for this). Starts January 5th, Thursday night, or January 6th, Friday morning.
- The completed block is to be returned by the registrant by the next meeting date to get your discount. (1st Thursday of the month between 6:00 - 9:00 pm or 1st Friday of the month between 10:00 am - 6:00)
- The blocks will not be distributed earlier than 6pm on the first Thursday.
- Stay for new tips and hints on the new block and at that time you will receive the next block fabrics and instructions. *These are at scheduled times, see bottom of the page.

If you follow the above simple rules, your other blocks will only cost **\$4.50** each, if you do not manage to keep within the guidelines but still want to stay in the club and receive your block, you must pay **\$6.50** to get your package and start again. Upon receiving your January BOM you will receive a "coupon" with **two uses**. If you are late or on vacation you can "cash" in the coupon and still receive the block at the discounted price.

At the end of the twelve months you will have made twelve blocks, and there are optional classes that you can take to finish your quilt, with a variety of sashing and border techniques. If you just want ideas, they will be available, and if you wish to do your own thing with your blocks you can do that too!

Space is limited in this QE club, and so please **book ahead** - for January only, you must come at the time slot chosen, as we have limited space. In February and for the rest of the year it is a drop in time, as listed below.
