

Summer Mystery 2021

Fabrics required are listed out of order numerically but are listed from light to dark.

Only one fabric can be directional #4 (I used a stripe), the rest should be non-directional. All fabrics are expected to be 100% 42-45" wide.

You may wish to ***start with the Border*** – if this has multiple colours you can pick the rest of the fabrics to match this. Your border can be a large or small scale print or 'solidish'.
