- WE ARE HERE TO HELP –
 1. Choose a kit from us – Colours such as Peaches/Blues, a fabric style such as Retro or modern, a designer such as Tilda or Three Sisters, solids in one colourway ...the list is endless! You give us some information and we will put it together for you. Prices vary depending on the fabric chosen.
 2. If you have fabric we will check it for you and label each one so that you will get the best looking quilt possible. If you need extra fabrics we will help you pick them to fill in the "gaps".
 3. If you have lots of feature fabrics but need backgrounds (these are very important), we will label your fabrics and you can get a background 'package'.

DO NOT POST OR SHARE ANY PHOTOS OF YOUR QUILT PROGRESS – THIS COULD SPOIL THE FUN FOR OTHERS. YOU CAN SEND THEM PERSONALLY TO MY EMAIL AT ANY TIME ☺
