

## National Sew A Jelly Roll Workshop: Supply List

We try to provide the best prices and service that we can. Our store is open until 6pm weekdays and until 8:30 pm Thursdays. Please come prepared to class. If you need supplies please allow enough time before class to get them, we have to start classes on time to accomplish all that we have to teach.

Please read our class policy before class.

Thank You.

We will be working in the upstairs workshop/class room. Be aware there are stairs.

You can choose either of the quilts to work on in class, but you will learn how to make both and receive the patterns for both. During the day there will also be demos on other quick things to make with Jelly roll strips.
