

japanese reads

The best place to find Japanese craft books is in Japanese bookstores, such as Kinokuniya, or in large Asian variety shops. If there are none in your town, don't despair—here are some places to order online.

Yes Asia offers a wide range of Japanese craft books for reasonable prices. (yesasia.com)

Kitty Craft, a U.K.-based online store, sells craft books and fabrics. (kitty-craft.com)

Superbuzzy was established by Kelly and Mariko, two American crafters who were frustrated by not being able to find Japanese fabrics locally. It has a great range of cloth and accessories. (superbuzzy.com)

Roxycraft features English-language amigurumi patterns. (roxycraft.com)

Crafting Japanese is a fantastic resource, completely devoted to Japanese craft books. It includes ISBN numbers, stocklist information and photos of finished projects, as well as advice on how to order from Amazon Japan. (craftlog.org/craftingjapanese)

eBay: At press time, a quick search yielded 115 titles for auction!
