

jet-SET stitches

Why shouldn't
your knitting go
on holiday, too?

① Keep afternoon tea in your knitting bag with **stitch markers** handcrafted from ceramic and polymer clay in the shapes of scones, Jaffa cakes, Bakewell tarts, and other treats. Made in Britain. www.etsy.com/shop/stephcuddles

② **Montana Mountain Knitting Needles** are handcrafted in Montana from exotic hardwoods found in South America and West Africa. From left to right: kingwood, zebrawood, bloodwood, bocote, bobinga. www.montanamountainknittingneedles.com

③ A Japanese **onigiri box** doubles as a secure notions case, with a domed lid and a removable silicone divider to keep a variety of tools safe and sound. www.superbuzzy.com

④ A **wiuhka**, or knitter's ruler, is a pocket-sized wraps-per-inch tool and needle gauge in one. Made in Finland of 100% recycled plastic. www.etsy.com/shop/succaplokki

⑤ Made in France, **Sajou Eiffel Tower scissors** complete your personal haberdashery. www.bagsmith.com
