Fabric Editions, Inc.

What makes Fabric Editions so fabulous?

We have a team of highly creative and resourceful people that we like to call "family". People that know how to juggle crafty ideas and new designs but also keep our fundamentals fresh and inspiring.

No matter the challenge, big or small, we strive to make sure you, the customer (or as we like to call you, "extended family") get exactly what you need through our products to create your next masterpiece.

Some call it magic. We call it passion. Our goal is to pass that feeling on to you within our brands. Making the world a little more colorful one fabric or craft at a time, that is what we were made to do.
