

### Supplies Needed

- 5 Fabric Palette® Fat Quarters (coordinating)
- 5 Wooden or plastic embroidery hoops (sizes ranging from 5" to 16")
- Heavy Duty Spray Starch
- Scissors

### Before you begin

Read through all instructions before beginning. Do not prewash fabrics. Following manufacturer's instructions, spray each fat quarter with heavy duty spray starch and press before constructing.

### Construction

1. Loosen screw to separate inner and outer hoop; lay inner hoop flat on a table. Cover with a fat quarter, right side up, checking that at least 1" extends over the edge of the inner hoop. Press outer hoop over fabric and inner hoop; turn screw to make as tight as possible.
2. Turn upside down. Trim excess fabric even with edge of hoop.
3. Arrange hoops on wall.

### Finished Care Instructions

Dust as needed.
