- Place the first two squares **RST**; pin and sew. Add the remaining three squares one at a time to complete Row 1. Press all seam allowances in the direction of the arrow (Dia. B). Completed row should measure 5" x 23". **Tip:** Add a few extra pins to help with any stretching of the flannel squares.

- Sew Rows 2-6 in the same manner, pressing seam allowance in the direction of the arrows (Dia. C).

Dia. C

6. To make the flange, press the four Coral Ditzzy Flowers strips (1" x 23", 1" x 27 ½") in half lengthwise. Pin a strip (27 ½") to each side of the center patchwork, raw edges aligned, and sew with a scant ¼" seam. Repeat to sew the two remaining strips (23") to the top and bottom (Dia. E). Press well.

8. To make backing, sew Grey Paisley strips (8" x 42") to each side of Coral Ditzzy Flowers strip (20" x 42"). Press seams open. Completed backing should measure 35" x 42" (Dia. G). Place the backing **wrong** side up, center and layer the batting and top with right side up. Starting at the center, baste the layers together with thread, pins or basting spray.

9. To free-motion quilt the center, move diagonally through the center of the squares with loose swirls like a butterfly flight path. A second option for straight stitch quilting is to sew gentle waves across the diagonals of the squares (Dia. H). **Tip:** *Sewing with an even-feed foot is helpful when quilting through thicknesses.* Free-motion quilt in the border area, or quilt straight lines if you prefer. Use the butterfly pattern as a quilting pattern for the squares as shown in Dia. H. You can also use embroidery floss to highlight the butterflies using a big hand-quilting stitch or embroidery stitch.

10. Square up corners and edges, trimming excess backing and batting even with the quilt top.

11. To make the binding, sew the four Coral Ditzzy Flowers strips (2 ½" x 42") end to end; press seams open. Press one short end ¼" to the **wrong** side. Fold in half lengthwise with **wrong** sides together; press. Leaving a 2" tail on the folded end, place raw edges of folded binding even with the edge of the quilt top and sew, mitering at the corners. Overlap ends, trim any excess and finish sewing the binding. Fold binding over to the back and hand stitch (Dia. I).
