2. Fold the Blue Geo 3 ½" x 18" elastic cover in half **wrong** sides together to make a 1 ¾" x 18" piece; press. Open and fold long edges ¼" to the inside; press and fold again. Sew close to the edge on both long sides. Attach a safety pin to one end of the elastic; insert into the cover, gathering to fit. Stitch securely at both ends to attach the elastic inside. Fold in half and sew the ends together to make a loop.

3. Layer the following pieces on a smooth surface: batting and back right side up. Pin the raw edges of the elastic loop 3" from the corner on the 21" side; baste in place (Dia. A). Then place the front right side down; pin around edges then sew leaving a 6" opening for turning.

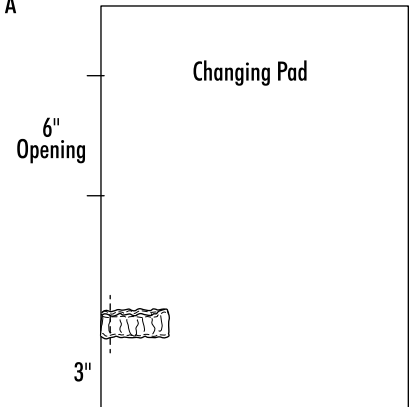

4. Clip excess fabric from corners, turn right side out; press. Topstitch ⅛" from the edge around the pad, sewing the opening closed. *Optional: Hand stitch opening closed before topstitching.*

5. Mark three evenly spaced lines from side to side across the width and sew to quilt the three layers together (Dia. B).

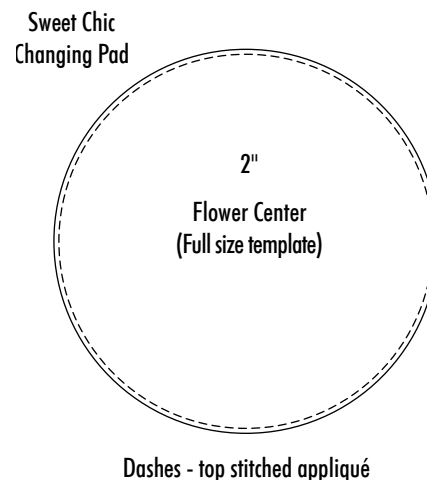

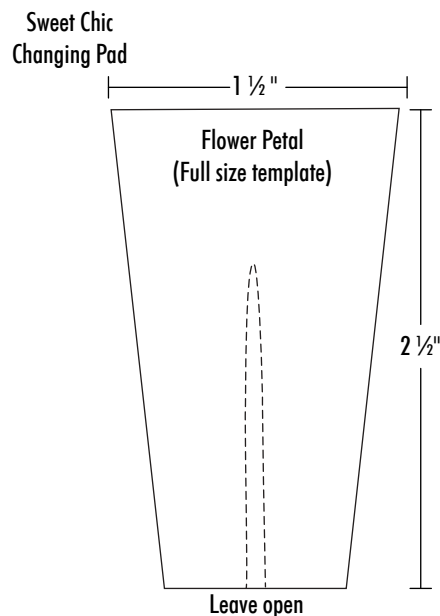

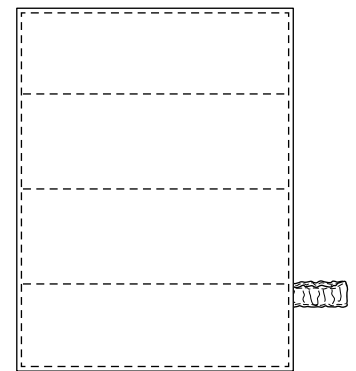

6. Sweet Chic Flower Applique:

- Trace six petals onto the **wrong** side of the Blue Geo 2" x 21" rectangle, then pin it RST to the Green Leafy Stripe 2" x 21" rectangle.
- Sew along the drawn lines on three sides leaving the narrow end open (without stitching).
- Cut out ¼" around each petal; turn right side out and press. Position petals close to front edge of pad next to the covered elastic (refer to photo). Pin petals in place, alternating Green Leafy Stripe and Blue Geo; sew two rows of stitching in the center of each petal, leaving edges free.
- Place two 3" squares of Blue Geo RST and trace circle template. Sew around the drawn circle. Cut slit in center of circle in one side and turn right side out. Place circle in the center of petals and stitch close to edge.
