# Sewing

1. Fold the bag RST so short edges meet; pin (Dia. A).

2. Sew side and bottom, backstitching at the beginning and end to secure the seam. Finger crease the fold on the edge opposite from the seam (Dia. B).

3. Open the bag and line up the side and bottom seams RST; pin. Measure 1" from the point and mark a line from edge to edge. Sew on the marked line to make a 'boxed' corner (Dia. C).

4. On the creased edge, match the crease with the bottom seam; pin. Mark and sew as done in Step 3 to box that corner.

# Finishing

5. **Optional:** Trim excess fabric in corners  $\frac{1}{2}$ " from the seam.
