

QUILTERS' CORNER NEWSLETTER

SUMMER 2013

9792 B BUSINESS PARK DRIVE, SACRAMENTO, CA 95827
916-366-6136 website:quilterscornersac.com.

We're in for a heat wave, just in case you did not notice that 110 degree day so..... it is time to stay inside and quilt OR take a trip to your favorite quilt shop and buy some more fabulous fabric to finish those UFO's or start a new project.

All our camps are all full except for September 22-27 at Lake Tahoe and our Auburn Retreat, October 4th 5th and 6th. Do not forget our PIQF bus trip on Saturday, September 19th. You can register by phone, fax or come in and sign up.

Now, on to the fantastic fabrics we are getting this summer. Of course, Christmas and Halloween have already started coming in. Westminster fibers will be sending us more Kaffe Fassett in bright jewel tones that will extend our present collection. With every company coming out with them, we receive batiks almost daily. From Moda, we will be receiving a new line of flannels specially designed for the men in your lives. From RJR, we are getting "Winter Pines", one of Thimbleberries last lines. From Clothworks, we are receiving the entire line of "Everything Blue" by Marsha McCloskey. Blue and white quilts are definitely the most valuable and popular in the quilting world. From Kaufman, a new Japanese line with gorgeous cranes in brilliant blues will be here in August. Also in August, we will be receiving 1800's from Marcus Brothers, famous for their Civil War collections. For the shabby chic aficionados, we will be getting Anna Griffin's new collection which co-ordinates with her last one that we also have. Again from Moda, we will be receiving the new French General, "Josephine", which successfully integrates with the last collection. QH Textiles, a new company found by Carol and Pat at Spring Market, has charmed us with a new Asian collection called "Wagara", which is an unusual combination of prints you must come see! From Windham, we will be acquiring the "First Ladies" collection, coming in September, also in the 1800's genre. Do not forget the cut goods: Bali pops, candy, layer cakes, charm packs, jelly rolls etc. Yummy. There are so many projects for them and they are so cost effective.

Attention all DOWNTON ABBEY fans! We are delighted to announce we will be receiving, in December, the first exclusive collection of licensed fabric for Downton Abbey®. Playing on the strength of the "upstairs women" of Downton, Andover fabrics exciting premiere collection will be THE WOMEN'S COLLECTION, featuring the designs chosen in collaboration with the award winning TV production. We will be having a special event in December so keep a lookout for this lovely opportunity to check out your favorite character's colors and styles.

We'll be closed for 4th of July, but do not forget to come to "Meet the Teachers", Sunday, July 7th, noon to 4pm. As usual, we will be having lots of fun and fabulous homemade goodies.

...Dawn, Elaine, Pat, Carol, Nicole, Pam, Diane, Donna, Sandy, Lindsay, Ellen, Patty, Debbie, Peggy, Nancy, Diane, and Daun.
