NEWS

Have you seen our new website? Detailed information about all our upcoming classes can be found at [Our New Website \(click here\)](http://Qd-Q.com) Qd-Q.com. We are constantly adding information and new classes. Don't miss a single event. Below are just a few highlights of what's going on at the Quarterdeck.

SPECIAL NOTE: We will be closed for vacation February 26 through March 6.

CLASS ANNOUNCEMENTS

CANDACE HASSEN'S SONJA'S WINDOW We checked this morning and there are still a couple of seats in the Candace Hassen class on Wednesday, February 22, 2017 starting at 10 a.m.

Candace is a well-known national quilt designer and instructor from the Atlanta area. Her quilts have appeared in McCall's Quick Quilts. She teaches at shops and guilds through her association with the Georgia Quilt Council. Candace will open your eyes to color and color placement.

The quilt pattern we have chosen to have her teach uses a nifty rotary method to produce four blocks in the same time it would traditionally take to make two! But the real artistry takes place when you put the blocks of color together.

This is an all-day class and only \$40 plus supplies. (NOTE: Because, this is a hands-on sewing class seats are limited.) Call the store at 912 754-1865 to reserve your seat before close of business (3 p.m.) on Saturday, February 18.

VIKING CLUBS. Our Viking machine owners have been enjoying our new sewing and embroidery classes. Twice each month we teach a "Sewing with Your Husqvarna Viking Machine" class and twice each month we teach an "Embroidering with Your

Husqvarna Viking Embroidery Machine". All Husqvarna Viking machine owners are welcome to sign up for these sessions. Learn all your machine can do!

February sessions are as follows:

Sewing Sat. Feb. 18 OR Tues. Feb. 21 from 10:30 to 12:30

Embroidering Sat. Feb. 18 OR Tues. Feb. 21 from 1 to 3 p.m.

Cost for each session is only \$5. Call and reserve your seat today. Last month's students commented "Well worth the price of admission", "So worth it", "I didn't know my machine could do that!".

■ **Embroidery Club** Each month the Quarterdeck is bringing you a new Embroidery technique disguised as a fabulous project. This month Bette will be teaching "tiling" with the construction of this pillow cover. You won't want to miss learning this important technique. The pillow project will be made in colors to suit your decor. Cost is only \$15 plus a minimal kit fee. Make your reservation for Saturday, February 25. Remember, all brands of embroidery machines are welcome at our Embroidery Club.

Hand Applique.

One of our most requested classes. Learn to hand applique with a special technique that makes the process so easy. Our own, Beth Hanna, will guide you through the steps to make this adorable square from the Sew Critters Quilt displayed in the shop. Join the fun on March 7 from 1 to 3 pm. \$20 plus pattern and supplies.

MARK YOU CALENDAR! We will be sewing, pressing, and sewing so more all day on March 8 making quilt tops for Project Linus. Come for an hour, the morning, the afternoon, all day--it's up to you. Bring your machine, thread, and sewing supplies or just stop in an press for someone else. If you plan to stay for lunch, please let us know at least the day before so we'll have plate for you. Such a fun, worthwhile way to spend a day.
