Quarterdeck Quilts

Yes, it's time to strip again! Our next Strip Club meeting will be this Saturday, March 11. We gather at 9:30 a.m. and start the program promptly at 10 to learn all the ways to strip (that is use strips of fabric in projects-LOL-this is not an X-rated newsletter-ROFL). If you have not been for a while, **DON'T MISS THIS CLUB MEETING!** It's only \$8 to attend. Sandy has a **BIG SURPRISE** and a **CELEBRATION** planned. (What did she get into on vacation? Is there March Madness in the air?)

VIKING CLUBS. Our Viking machine owners have been enjoying our new sewing and embroidery classes. Twice each month we teach a "Sewing with Your Husqvarna Viking Machine" class and twice each month we teach an "Embroidering with Your Husqvarna Viking Embroidery Machine". All Husqvarna Viking machine owners are welcome to sign up for these sessions. Learn all your machine can do! March sessions are as follows:

Sewing Sat. Mar. 18 OR Tues. Mar. 21 from 10:30 to 12:30

Embroidering Sat. Mar. 18 OR Tues. Mar. 21 from 1 to 3 p.m.

Cost for each session is only \$5. Call and reserve your seat today. Last month's students commented "Well worth the price of admission", "So worth it", "I didn't know my machine could do that!".

Project ♥ Linus

Just wanted to say a special THANK YOU to all who participated in our Linus Day. Some sewed, some dropped off completed tops, others picked up tops to sew at home in their pajamas. And the lunch crew wants to say a special "thanks" to Bette D. for the wonderful Chili. Mmmmm GOOD! Mark your calendars for May 17th. We'll be doing this fun day again!

Also wanted to thank all those who got inspired by Candace Hassen on her recent visit to the Quarterdeck. What an amazing woman! And what amazing quilts! The store did purchase her patterns and are now carrying them. So if you missed her visit or are ready for another adventure with Candace, stop by and pick up a pattern.

BabyGirl says "Don't get caught snoozin'. There's lots going on at the Quarterdeck. My buddies from FEDX and the Chocolate Truck (oops! Mom says that's UPS--guess I'll stop chasin' after him) are bringing boxes everyday! New fabrics, new sewing machines, new notions---all with squeals of delight from my doormen (Really, Mom? Those ladies work for the store? They're not just here to open the door for me?)--with all the noise, how's a girl gonna get her afternoon nap?" But in case you do doze off, all our classes are on our website www.Qd-Q.com just click below.
