NEWSLETTER

HAPPY NEW YEAR! We've kicked off 2017 in a BIG Way!

Here's some of "what's new":

New stores hours. We are back open on Tuesday's. So come see us Tuesday through Friday from 10 a.m. until 5 p.m. and on Saturday from 9 a.m. until 3 p.m.

Our new website is up. And although it's just learning to crawl, it grows with more features and information daily. Hope you'll take time to look at all the new classes and call us to sign up soon. www.Qd-Q.com has a whole new look.

Our new Husqvarna Viking Club starts this month. We're having a sewing lesson in the morning and embroidery lessons in the afternoon. See the new website for details.

Our new Embroidery Club starts this month. All brands of embroidery machines are welcome at these fun filled project classes. Check out the new website for times and dates.

Strip Club

Yes! We are stripping in 2017. Join us Saturday, January 14 for loads of fun as we celebrate all things quilted with strips of fabric. We start to gather (and gab) at 9:30 and start "the show" promptly at 10:00. Bring \$8 for admission and a "Show and share" to earn a ticket for a chance at a door prize. You never know what other surprises The Quarterdeck will have in store! (pun intended-LOL)

This pattern was shared last Oct. What will the New Year bring?
