Newsletter

August 4, 2017

How's your summer going? It's hard to believe that the children are back in school and only 35 more days until our physical shop re-opens. This July and the launch of our on-line store has been a great disappointment to us. Windstream (our phone service provider) was out of service here for over three weeks in July. Storm damage resulted in a new phone system, and new lines being laid from Stillwell Road. But August is here and so is our promised on-line shopping!

(Trumpet fanfare--Drum roll, please)

The On-line Store is OPEN!!!! It has limited products for sale but new products and fabric are being added every day. You'll also enjoy the button for the LOWER DECK. It's our sale area. Lots of items will be appearing there, too. Our new on-line store allows you to shop and enjoy our wonderful fabrics, notions, threads, books, magazines, and, of course, some awesome sales, twenty-four hours a day, seven days a week! Save on gas and time!

We have been keeping in touch during this down time through our newsletters through email, our FACEBOOK page, and our website. We are also checking for any phone messages during this time (especially now that it is back up and operational.)

With our new email system we asked everyone to go to our new website and re-sign up for our newsletter. You are receiving this email because you did just that. Some of our friends may have missed the message or forgot to sign up. If one of your friends is not getting our Newsletters, please feel free to forward this email and they can use the link below to sign up.

It only takes a quick minute.

We have lots of new fabrics in and more on the way. Many new fabrics and products will be introduced on our website in the next few weeks. We have lots of new classes and club meetings scheduled for the fall. You will soon be able to register and pay for your classes through the website. Watch the website and stay alert to emails as you travel and enjoy the remainder of your summer.

Can't wait to see your sun kissed faces and beautiful smiles in September!
