

Quarterdeck Quilts Newsletter

July 5, 2017

Hello Friends!

Summer vacation begins but believe us there is little to no time for vacation right now. We are still busy working to get the on-line store up and running. Still so much to do. We will continue to keep you posted and we encourage you to keep watching the [website](#).

Our purpose for today though is give you 'last call to renew your newsletter subscription'.

If you have already renewed then you should have already received a welcome to the 'new' newsletter from Quarterdeck Quilts. We want to thank everyone that decided to continue to join us and you can disregard this notification.

But if you have not taken the time to renew your subscription to the Quarterdeck Quilts 'new' newsletter then take a quick moment right now and do so.

All you have to do is click this big blue button, fill out all the boxes with the information it ask for and double check to make sure you have filled it out

correctly. Oh and be sure to provide a good e-mail address that you use all the time.

We don't want you to miss a thing that we have coming up.

So take one little second and do that right now.

Let us assure you that we keep your information safe. We never spam or sell this information to any third party either. This is strictly for us to communicate directly with you AND you always have the option to unsubscribe at any time.

But...this will be the last notification. Don't let yourself be dropped from the list. Click that big blue button and stay in the loop.

Thank you for allowing us to serve you with your sewing and quilting needs and we look forward to continuing to do so.

**Best Stitches,
Quarterdeck Quilts Staff**

P.S. Keep watching the [website](#) for new things coming.
