### Machines ON Sale

There has never been a better time this YEAR to purchase a new Husqvarna Viking sewing and embroidery machine. As we announced at Strip Club this month, the Designer Ruby Royale and the Designer Topaz 50 are on sale at ridiculously low prices. We have sold out of both models, but are expecting more in later this month. If you are dreaming of a new machine, tell Santa to get over here FAST. We have already sold part of our next allotment. These machines will not last long at these prices.

### New Classes and Event Reminder

Friday, December 1 - Paper Piecing 101. This is a beginner sewing project to learn the basic mechanics of paper piecing. Our instructor for this session is Bret Dye. Many of you at our Strip Club meetings have been enjoying the fabulous paper pieced items she has shared with us month after month. Bret will be sharing the basic elements of paper piecing as you construct

possibly your first paper pieced item. She will also be sharing tips and tricks for those who have tried to learn on their own, but had limited success. For more details visit your website. Please call us to reserve your seat. (912 754-1865). (sewing machine required)

Saturday, December 2 and 16 - Tuffet Making. Last chance this year to make one of these adorable tuffets. Everyone finishes! So you will be able to give yours away (or use for the holidays--Santa loves to put his tired feet up and have a hot chocolate on December 26.). For more details visit our website. Please call us to reserve your seat. (912 754-1865) (sewing machine required)

Monday, November 27 is the LAST CALL for Machine Repair Service this year. Machines must be delivered to the shop by Saturday November 25 and will return December 11. (unless you need special order parts). We will be taking machines for repair/service on December 11, but they WILL NOT be back until after New Years.

Saturday, December 9, is our last "Strip Club" (9:30 to 11:30) and our annual Christmas Open House 11:30 to 2:30. Join us for FUN, FELLOWSHIP, FOOD and, of course, prizes and surprises! Reminder: Strip Club members bring a show and share, Bring at least one fat quarter to donate (that your admission price) and a couple of fat quarters to play games with.

Tuesday, January 16 starts the First Time Quilter project. Learn to make your first quilt from start to finish. We will be making a reversible quilt using the quilt as you go method. Class meets once per month for five months. By the end of class you will have a set of tools necessary for modern quilting, a completed quilt ready to use or give for a Mother's day, Graduation, or Wedding present, and the skills for a lifetime of quilting enjoyment. (Sewing machine required)

Saturday, January 27, is the start of our new enhanced "Strip Club" called And SEW Fourth. Our format for this meeting will be similar to our old Strip Club in that we gather at 9:30 and have a presentation that starts promptly at 10. We will continue to have show and share. The BIG difference is we will be showing and demonstrating something different every month and BEST OF ALL no reservations are required and NO CHARGE--that's right, it's FREE to attend starting in January! We will also have an afternoon Sit and Sew following every And SEW Fourth meeting. You will need to make a reservation for the sewing as space is limited.
