Trim the overlapping edge of this page about scant 1/8" to cut away the edge of the paper that has no drawing. This will make it easier to align the pages. Match the pattern to the lower edge of page 1. and glue or tape pages together for a full size pattern layout.

Chain Stitch

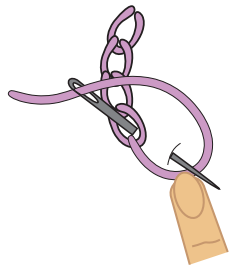

Pistil Stitch

Step 1.
Come up at *a* form a loop, hold the loop down with your finger.

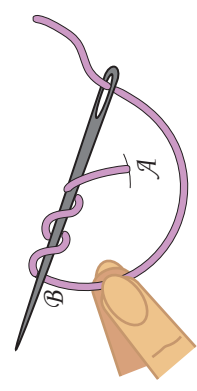

Step 2.
Go down at *b* as close as possible to *a*, but in the same hole. Come up at *c* with the needle tip over the thread.

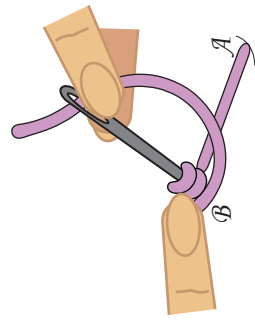

Step 3.
Repeat step 1 & 2.

Pistil Stitch is a Straight Stitch with a French Knot at the end. Often used for flower stamens.

Step 1.
Come up at *A*, wrap the thread around the needle twice.

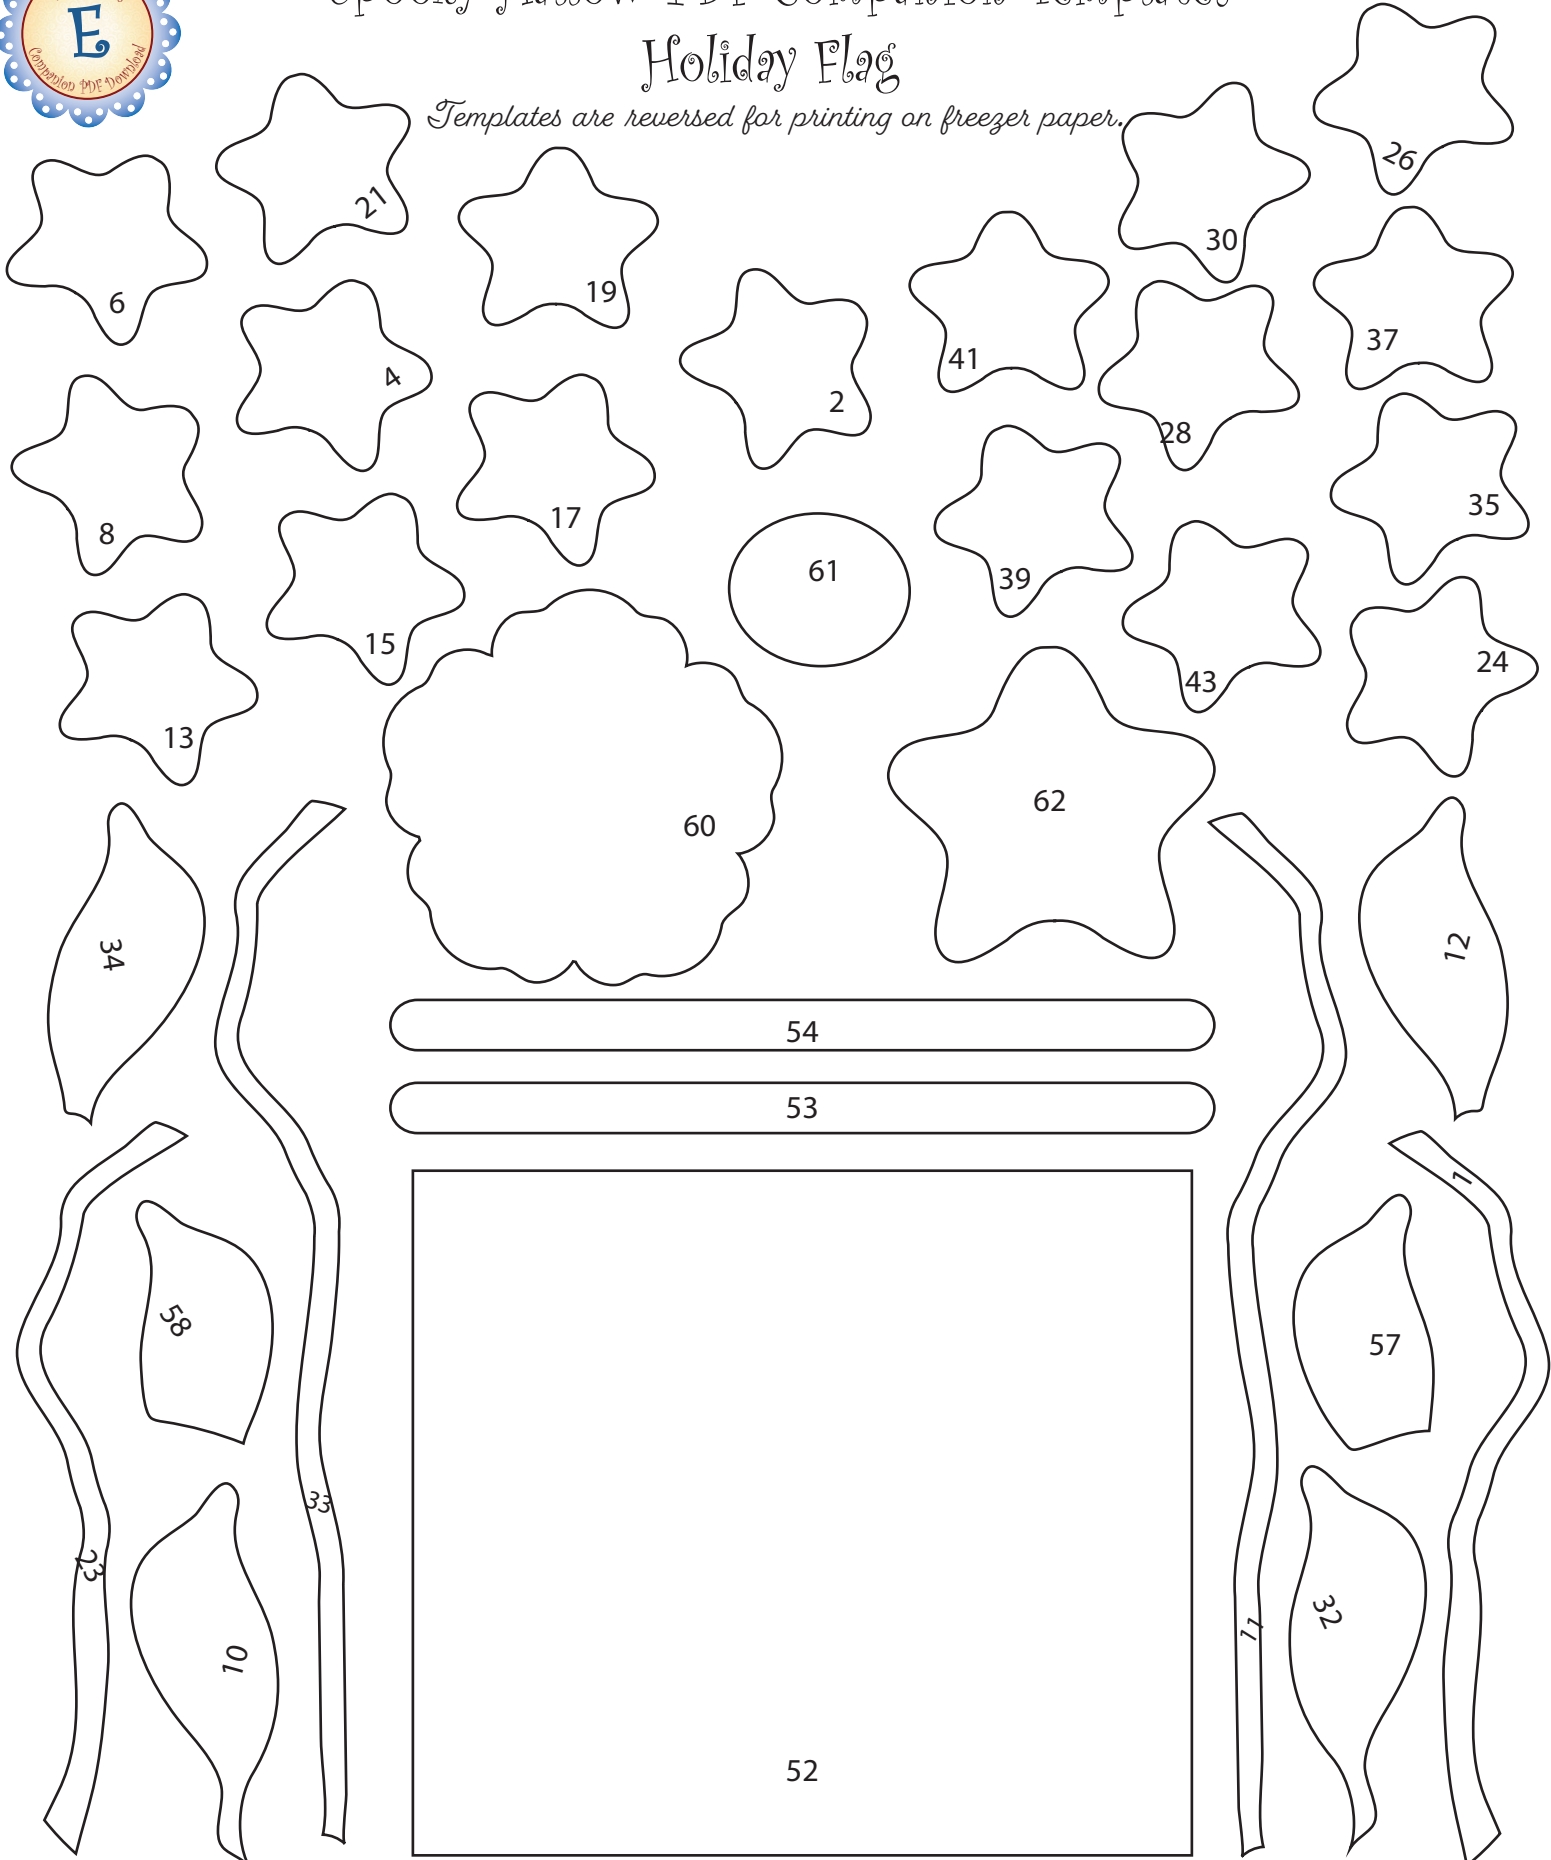

Step 2.
Hold the wrapped thread taut, go down at *B* the desired distance away from *A*. Hold the knot in place until the needles is pulled through the fabric.
