Machine Operator - Deb Frassetto
using a Gammill Statler-Stitcher

An Award Winning Quilter

Machine Quilting & Finishing

I am a smoke-free and pet-free environment that handles your quilt with the utmost of care. I have thousands of patterns and can custom digitize a pattern specific to your needs. I always use a new needle with premium thread to ensure the best stitch quality possible. I use Hobbs 80/20 in both 96 wide and 108 wide. And have it in natural, bleached white and black. Wool batting is also available.

I have a \$50.00 minimum quilting fee due to the time it takes to load and set-up the long-arm machine. That means if you have a table runner or wall hanging it will apply.

Meandering: Meandering is an all-over wavy continuous design.

Pantograph: Pantographs are an edge-to-edge all over design that repeats and sometimes forms a secondary design within the pattern.

Custom Design: Custom designs are planned designs, including separate designs for block-ditching and special fill effects. Prices vary upon the complexity of the work to be done.

Stitching Methods and the cost per square inch are listed below:

Basting - per square inch	\$0.008
Quilting Meander Web Special (When noted on Website)	\$0.0135
Quilting - Meander or Simple Pattern	\$0.015

Quilting - Open/Light Density - per square inch	\$0.017
Quilting - Medium Density - per square inch	\$0.020
Quilting Heavy Density - per square inch	\$0.025
Border to border with inside Edge to Edge	\$0.035
Custom	\$0.035 - \$0.080

Additional Services - Binding - Based on Straight edge per Linear Inch

Hand Finished - Quilt is trimmed and binding is machine stitched to the front then hand-stitched to the back of the quilt.	\$0.39
Machine Finished - Quilt is trimmed and binding is machine stitched to both the front and back of quilt.	\$0.19
Attach Binding Only - Quilt is trimmed and binding is machine stitched to the front of quilt making it ready for you to hand finish.	\$0.11
Fabricate Binding - Cut, join and iron.	\$0.50

Additional Services

Batting

Hobbs - Black 80/20 96" per yard	\$9.00
Hobbs - Natural 80/20 96" per yard	\$9.00
Hobbs - Heirloom 80/20 108" per yard	\$11.00
Hobbs - Wool Per Yard	\$15.00

***PLEASE NOTE:** All quilts will be trimmed and squared unless you indicate me NOT to do so. Fees will apply otherwise. I have a \$50.00 minimum fee on all quilts and a \$20.00 minimum fee on basting.

Avoid Add-On Charges

To avoid delays and add-on charges, please complete all your prep work ahead of time. If I have to stop to piece, trim, square, or repair your quilt, it will cause delays and unnecessary additional charges. I am happy to complete the prep work for you, but the charges will apply.

Quilt Preparation - See separate Sheet called, "**Avoid Add-on Charges**"

In order to properly load your project on a long arm machine, the batting and backing must be a minimum of 5" larger than the quilt top on all four sides. **Example:** A top measuring 40" X 60", the Batting/Backing measurement would be 50" X 70".

Pricing Example: Cost of quilting is determined by the size of the quilt in square inches. To find the square inches you must multiply the Width X the Length then choose the stitching method.

A queen size quilt measuring	85" X 100" = 8500 Square Inches
Basting -	8500 X \$0.008 = \$68.00
Light Density	8500 X \$0.017 = \$144.50
Medium Density	8500 X \$0.020 = \$170.00
Heavy Density	8500 X \$0.025 = \$212.00
Custom	8500 X \$0.035 = \$297.50
