

Custom Quilt Labels

Instructor: Annlee Landman
Date: Saturday, June 24, 2023, 1 - 4pm
Cost: \$ 35

Learn to make beautiful labels to take your quilted gifts to the next level. This method doesn't require fancy laser printers, machines or special equipment and will add a personal touch to your special gift.

Supply List:

Please come to class with a few printouts of text for your quilt label, formatted in several different fonts, sizes and layouts. Instructor will provide prepared fabric to make one practice label.

- .01 and .005 Pigma Micron Pens, your choice of color (I like Sienna or Blue)
- 1 FQ Kona white, snow or bone fabric, PRE-WASHED and ironed
- SoftFuse Fusible web interfacing
- To practice the technique for adding borders, please bring a WOF strip 3/4" wide for the inner flange, and another WOF strip, 2 3/4" wide for the outer border.

If you own a portable light box or light pad, please bring it to class with you.

You do not need to bring your sewing machines to class. There will be machines set up for demonstration purposes, and for students to use to sew on borders.
