### *Class Information:*

*The Summer Solstice and Summer Solstice Queen patterns includes a strip pieced Lone Star, New York Beauty blocks and no Y-seams (new patterns only; sorry the older Summer Solstice pattern still has Y-seams ☹️). Please read the pattern before class.*

*I encourage you to use Quiltster to color your quilt. Quiltster is a color design software. It is available from Quiltster.com for a nominal fee. If you decide not to subscribe to Quiltster, I can help you color your quilt using my copy of Quiltster. Please let me know if you would like me to help you with your colors. It will help if you have an idea of the colors that you would like to use in your quilt. Once you have colored your quilt, Quiltster will give you a yardage table to help with fabric purchases.*

*NOTE – The old Summer Solstice patterns (pre-2017) are not compatible with the new Summer Solstice and Summer Solstice Queen patterns. Quiltworx updated the Summer Solstice pattern with standardized block sizes and new construction techniques. You can use your older pattern if you want.*

*Please have your fabric cut for the first class as shown in Class 1 Instructions.*

*If you have any questions, please call or e-mail.*

*Thanks...See you in class!!!*

## Summer Solstice Class 1 Instructions

If you have previously taken a Quiltworx class and are comfortable doing so, please cut out the papers. Remember, the Template Layout Sheets are cut out on the outside black line. The Foundation Papers or Units are cut out a fat 1/8" outside the black line. Place in the listed bags.

Please check <http://www.quiltworx.com/corrections/> for pattern corrections.

Please have the following fabric cut before class. Place all in the bag listed.

### Bag #1 – Lonestar Fabrics

- ❖ Cut (1) 3 1/2" strip of each fabric that you are using in the Lonestar. You will need 16 strips total.
- ❖ Place all in a bag.
