LONG ARM QUILTING CLASSES

Taking the Mystery out of Long Arm Quilting

Does longarm quilting interest you, and you'd like to learn more about it? Or do you just want a review of longarm basics? This class removes the mystery of longarm quilting by explaining machine and frame elements and features, how to load a quilt, and vital facts about thread, needles and tension. Handi Quilter longarm and frame systems come in various sizes for every budget, are user-friendly because they are designed by a quilter, for quilters – just like you!

Thursday, June 4th 9:00 a.m. – Noon

Using Rulers & Templates

If you love precision and consistency in your quilting designs, you will love using design rulers and templates! These handy tools assist in placing designs accurately and stitching them out precisely. Learn to handle rulers and templates safely with the ruler base and Sure Foot, and how to achieve accuracy with the markings. The wide variety of Handi Quilter rulers will inspire you to new design heights.

Thursday, June 4th 1:30 p.m. – 4:30 p.m.

I Can Quilt ANYTHING on my Long Arm!

Have you ever wanted to see what a long arm machine can really do? It's just a big sewing machine! We can do quilt piecing, bindings, even construct bags from start to finish! You will learn how to create texture to even add to clothing and garment sewing. Have you ever struggled with stitching minky material? Your longarm will solve all those issues in a heartbeat!

Friday, June 5th 9:00 a.m. – Noon

Intro to Computerized Quilting with the Pro Stitcher

Julie Elliott

For as long as she can remember Julie has been a maker, and making quilts is her passion. She has been making quilts for more than 25 years and her early quilts were mainly traditional but now she especially enjoys exploring new ways to re-imagine those traditional blocks using a fresh, clean and modern aesthetic. She can't wait to share her passion for long arm quilting with you!
