Embroidery and Applique Magic

1 Day Sit and Applique Class - \$50.00

March 23 – Day Class

10:00-4:00

Or

March 25 – Day Class

10:00-4:00

Learn tips and tricks to make your monograms, embroidery designs and appliqués look professional in this Sit and Applique class. This class is for the “newbie” or the experienced "monogrammer" or "appliquer.” Participants need to be familiar with their machine and the machine must be in working condition. Bring a notebook and pen to take notes. Participants will need to purchase the 3 designs pictured above prior to class. If you do not know how to save the designs, Lynn will show you how to download them and save them to your computer and flash drive, but you will need to bring your laptop and power cord to the class.

Participants will need to bring their embroidery machine, embroidery unit, and hoops; power cord, flash drive, supplies, and a youth or adult shirt to applique. Lynn will teach participants how to applique a bodysuit (infant onesie), t-shirt, and a towel. The \$50 registration fee includes the bodysuit, towel, and stabilizers for the three projects.

The designs you will need to purchase can be found at the following links:

Brown Polka Dot Bunny is from Applique Market
