2021 THE GREAT STASH DASH RETURNS!

January 22, 2021 through February 6, 2021

The Dash will be 16 days long to give you additional time to get to all shops. When you stop in with your Dash Bag and Passport you will receive 15% off your entire purchase, a coupon to use later, and when you bring your bag in on the 5th Saturdays of a month (there are 3 additional days in 2021), you will receive the 15% discount on your entire purchase again!

This is the 6th year of the GSD and we are changing it up a bit! Instead of purchasing a new bag with your Passport, you can reuse one of the previous 5 bags. Just bring in your previous bag to get your free Passport. If you do not have a previous bag, you can purchase it from a participating Shop for \$10 and receive your Passport.

Each of the 12 blocks are 18½" unfinished.

This quilt can be very scrappy or a color-controlled quilt. Even looks great in Holiday fabrics. Stop in the Shop to see our sample. Book purchase from QGS is

required along with the purchase of the background fabric. As with all our classes, you receive a 15% discount on your book, fabric, & supplies. No class fee!

First class is March 6.

We are still planning on a re-start of our in-person classes in February 2021. Specifically, this includes both sessions of House in the Middle, Wool Embroidery Workshop, and Wool Embroidery - Buttons & Beads. Of course, this still depends on the restrictions established to COVID 19 - let's hope we see significant improvement on this front soon.

WINTER WEATHER POLICY

As we approach the winter weather season, we are thinking about methods of deciding and communicating any closures. If the weather is threatening (warnings, advisories, etc.) it is always best to call the Shop (815-397-5160) first to make sure we are open. Because of these unusual times due to the COVID virus, we are not sure that we will be able to use our long-established policy of following the Rockford School District decision on closure due to the weather. And bad weather could also result in an early closure of the Shop.

We want everyone to be safe and not take any risk with travel. We will change our answering machine message to reflect any closures. We will also use Facebook and our website to post any notices on weather related closures. So please call first.
