

## HOTFLASH! MARCH 21, 2020

How quickly things can change within the day!

Effective at end of business today Saturday March 21, 2020, we will suspend in store shopping. This action is being taken in compliance with Governor Pritzker's "stay at home" order issued yesterday. Included in that announcement was the requirement for all non-essential businesses to close.

This is the plan effective through April 7.

We would love to help you in any way we can. If you need something, please call the Shop at 815-397-5160 and leave a message. We will be checking the answering machine several times each day and will get back to you on your question or request. We also plan to be in the Shop for limited hours doing some maintenance, cleaning, long arm services, plus receiving shipments. Hopefully we could mail you out something needed or provide it as a "drive through" on one of your necessary trips.

We are supportive of this aggressive order and pray that we see the slowing down the coronavirus's spread a result. Please stay safe and well during this time. We appreciate all of you and pray for the best outcome for all of us.
