

HOTFLASH! APRIL 11, 2019

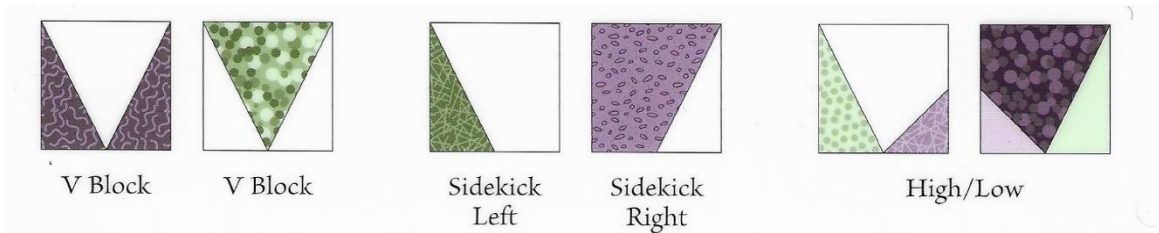

TUCKER UNIVERSITY RETURNING IN APRIL!

Saturday April 20th or Wednesday April 24th, from 10 am to 12:30 pm

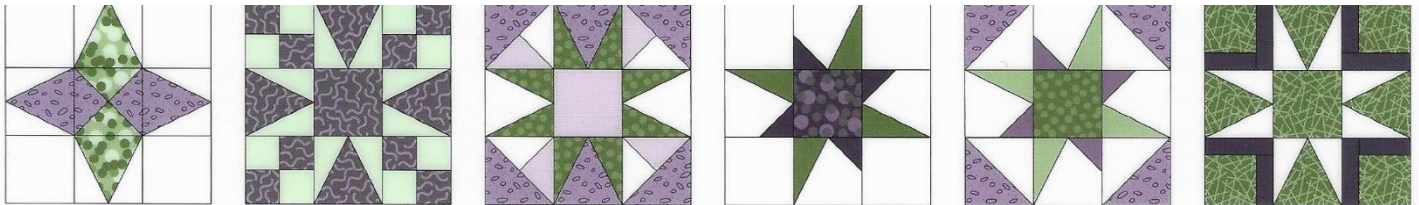

SIGN UP DEADLINE IS WEDNESDAY APRIL 17. Everyone who is planning on attending this class or still wants to sign up, please call us to confirm we have you on the list and have the supply list! (We can email the supply list.) We need to be sure we have enough supplies for all attendees. We have not assumed those of you who participated in the first class in February will also be attending this one.

The April session on Saturday April 20th or Wednesday April 24th, from 10 am to 12:30 pm, we will be demonstrating the V Block ruler and the various design options this ruler gives you. This is a classic unit that involves three elongated triangles with sharp angles and is generally difficult to construct. The V Block Trimmer will give you "perfect" results!

This is the V Block variations that you will be creating;

And these are some of the possible block that are made using this unit:

Purchase of the ruler, a design sheet, and a technique sheet is required.

NEW CLASS OFFERING!

CATHEDRAL WINDOW FLAG

From Shabby Fabrics

The Cathedral Window Flag from Shabby Fabrics is an awesome patriotic quilt! We will break the class into 2 sessions, taking you through the various stages of creating a cathedral window quilt - from building the base blocks, to assembling the star field and stripes, then on to final assembly. The flag quilt is built in three sections: the blue star field, four rows of top stripes, and three rows of lower stripes. Once this is done you will have a completed project with no batting, no backing, and no long-arm quilting required!

CLASS DATE: 2 Part Class: Saturdays, June 1 and June 22

Time: 10 am to 3:30 pm
