Three more advanced techniques will be introduced. Three advanced blocks use strip piecing techniques: Lemoyne's as Triangles, Fussy Cut Lemoynes, and Blazing Lemoynes.

Purchase of the ruler (if you already have this ruler that's great!) and 4 design/technique sheets are required.

SIGN UP DEADLINE IS WEDNESDAY OCTOBER 28. Please let us know if you will be attending this class and which day so that we can have the necessary supplies available for you! And for those of you have regularly attended this series of classes you will receive an email; please respond to that on whether you will be joining us for this class on which day too. Also please let us know if you already have the ruler.
