2021 Mystery is starting in January!

"Concealed in Colorado"

Inspector "Clu-Sew's" 2021 Mystery Quilt will be starting in January. Choose from two sizes and two setting options to create a beautiful surprise upon completion. Each month for 6 months you will receive a clue that presents cutting and piecing instructions for a portion of the quilt. In the final month, the setting options will be revealed to complete the quilt.

First clue is available January 1st. You must pick up your "clues" each calendar month! Once the month is past, those instructions will not be available! The finished size before adding the optional borders is 48" x 60" (border option is 6") or 64" x 80" (border option is 8").

This is a 3-color quilt. There is no class fee, but fabric purchase is required. As with all our classes, a 15% discount for class materials is given. "Clues" will be for PICK-UP at QGS only! NO MAIL OUTS!!

Call the Shop to sign up today.

Fabric requirements will be available upon sign up.
